

**PREP  
FOR THE FUTURE**

by Sycamore Learning Company

Dear Parents,

Sycamore Learning Company has developed a study skills seminar to help students of all levels. It is important to understand the process of time management and the optimal ways to study to increase productivity as well as test scores.

Throughout the seminar, students will learn a new way to look at things to help them throughout their years in high school and college. Developing this skill set early on can give students a significant advantage over their peers who do not manage their time and studies properly.

**This 4-hour seminar will give students new insight into a variety of topics, including:**

Goal Setting

Note Taking

Study Habits

Memorization

Test Taking Strategies

Essay Writing

Scheduling

Reading Speed

Payment can be made online or your student can bring a check payable to Sycamore Learning Company to the seminar. The only materials needed for the seminar will be two pencils. Enrollment may be limited, so please register as soon as possible to ensure your student does not miss out on this opportunity. We look forward to teaching your student the keys to effective studying to help enhance their academic performance!
